

EMPLOYEE ENGAGEMENT OPPORTUNITIES

United Way team-building, educational, employee development and volunteer activities.

Our United Way is committed to providing year-round activities to help individuals better understand the critical needs in our community and how they can help. We offer tailored and flexible employee opportunities to “see the need” and become passionate champions for positive local change. The following is a list of some of our engagement opportunities:

-
- Funded partner site visits:** An opportunity for attendees to take a tour of an agency facility and learn first hand about their mission and programs.*
 - “Lunch and Learn” educational activities:** Targeted learning experiences in the workplace meant to engage and educate employees. Opportunities include:
 - Affinity group overviews
 - Interactive trivia game on community needs
 - Donor Education Presentations (topic examples include the United Way ALICE report, UWNCO Community Partners information and resources, and Collective Impact)
 - Kit building experiences:** Experiential opportunities, customized to fit your budget, time and interests which support agencies and individuals. Opportunities include:
 - Hygiene kits
 - Baby kits
 - STEM kits
 - Welcome Home kits
 - Fighting Hunger snack pack kits
 - Literacy kits
 - Unique employee engagement and volunteer opportunities:** Other individualized opportunities developed to fit your company’s unique employee engagement needs on or off site.

To set up any of the above activities, please choose the activities above that most interest you and contact your UW representative!

*For Community Partner site visits, please allow at least 14 business days to coordinate with partnering organization. Please check with your United Way representative for a list of participating partners.

Have you seen a fun activity you'd like to try that's not listed here? We are always open to ideas - contact us to create your customized engagement opportunity!

Our United Way hosts numerous fundraising events in Crawford, Marion, and Wyandot Counties each year - follow us on social media or subscribe to our email newsletters to stay up to date on the latest event details and registration information.
