This is the work we were built to do.

**7760 weekend backpacks** went home with food-insecure students this year.

**447** free smoke detectors installed.

**44,752 meals delivered** for homebound seniors & others.

**45 families facing disaster** received immediate emergency assistance, including food, clothing, & shelter.

**40+ community partners**

**1500+ books for children**

**582 mental health crisis calls answered**

**Sources:** UWNCO Community Partner Reports (includes estimated 4th quarter totals)
ALICE families work hard - often multiple jobs - but struggle to afford their basic needs.

Unemployment in our tri-county community rose to 20% in April, up from 5% in March.*
