JOIN US FOR A SPECIAL PROM EXPERIENCE FOR THOSE WITH DEVELOPMENTAL DISABILITIES AND FRIENDS

Dear Community Supporter,

In the past, you may have heard of, and/or supported the Night to Shine event that has been held in Marion County for the past four years. Night to Shine is a worldwide event that hosts people with developmental disabilities, their families, caregivers, and many community friends for a night of special treatment, fun, food, and dancing.

This is the second year for us to take this concept and creating a more local feel for those we serve. Same spectacular celebration, more local and special. We are EXCITED! And we hope you will join us by supporting this event as a sponsor and allowing your employees to volunteer.

Check the Marion County Board of Developmental Disabilities (MCBDD) Events Section on their Facebook page (search MCBDD Golden Gala Prom) to learn more and get involved. More details will be available in January.
